FinTecHack2017 - Code of Conduct

1. **Application, Eligibility & Selection**

   Teams of 2-4 members who can build a Proof of Concept FinTech Product within the allotted 12 hours period will be eligible. Every team must have an appointed team leader who will be the point of contact, and in who's name the winner's prize cheques would be drawn. The top 10-15 teams will be selected based on the proposed solution's business viability, originality/novelty, technical feasibility and relevance to the financial services industry. The judge's decision will be final.
